Your Gas Network

Dear Customer,

Here at Cadent, we look after the gas pipes in your area. We make sure the pipes that bring the gas to your home keep you safe, warm and connected. We're replacing the old pipes with new plastic ones which will mean that you'll be ready for greener gas in the future.

To ensure our teams can work safely while upgrading the gas pipes on **CHURCH STREET**, it is necessary to implement a temporary **ROAD CLOSURE** on **CHURCH STREET OUTSIDE NUMBER 19 TO 53**. Access to your home will be maintained via the advertised diversion route.

We will be starting our work on **Monday 5th June**, and this should last for approximately **7 weeks**.

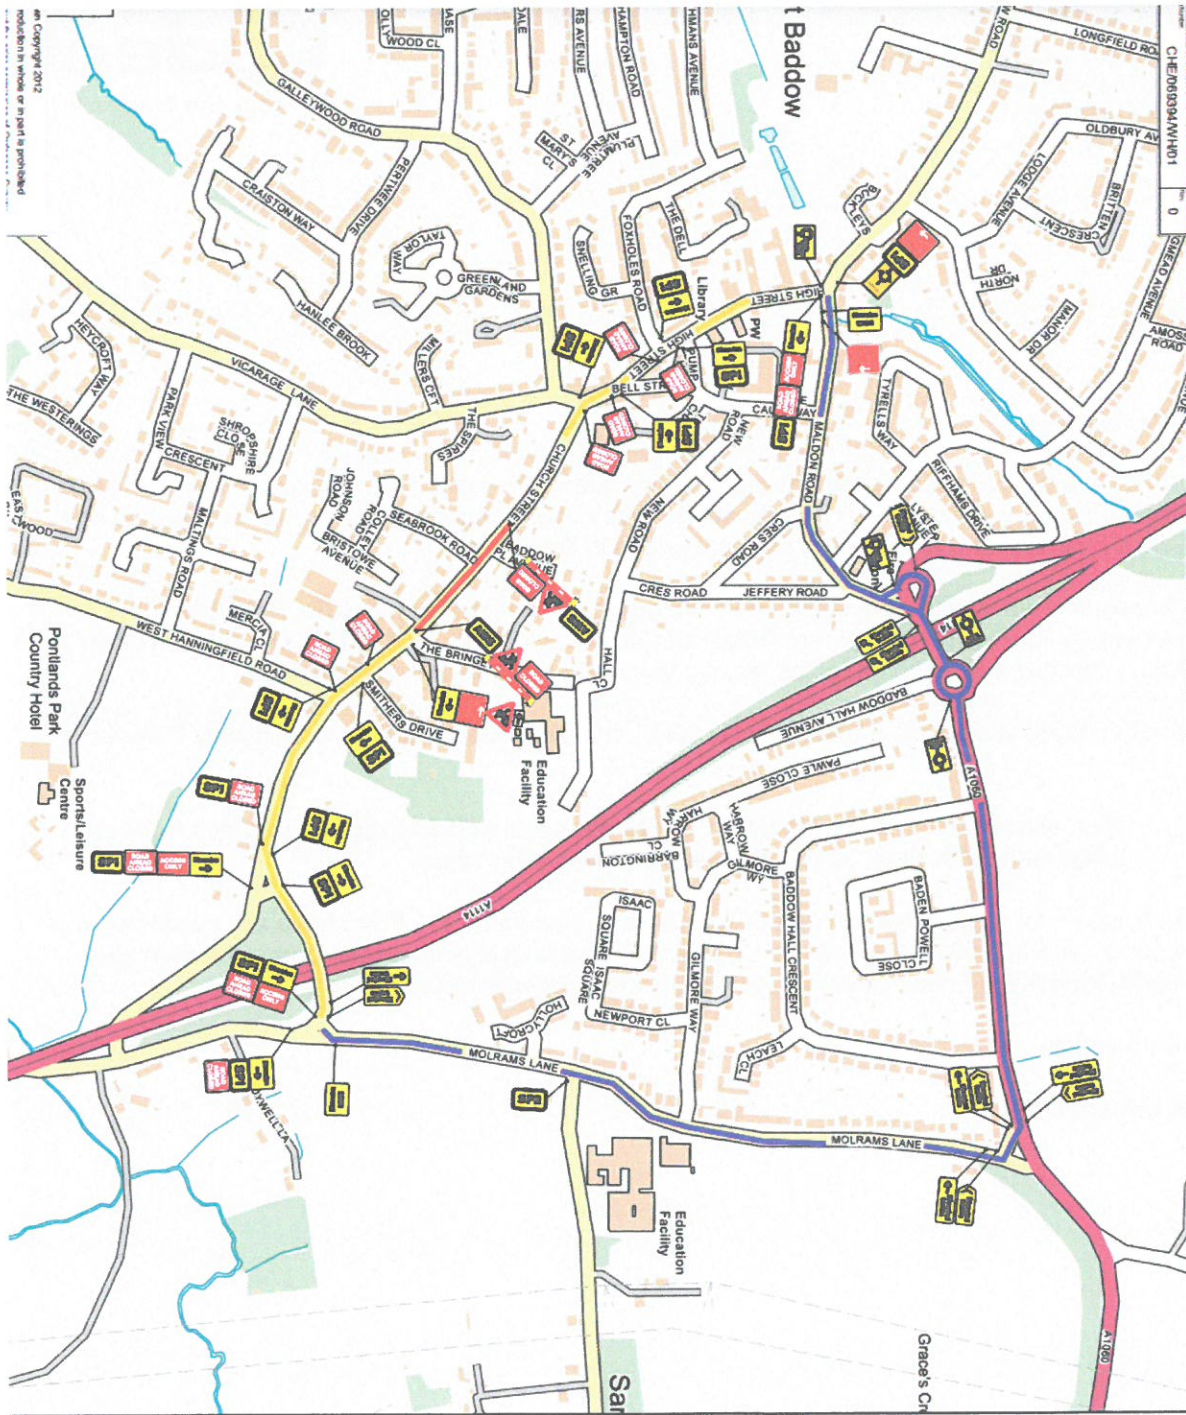

You will receive a separate letter, Customer Care visit and regular updates from our engineers with regards to how our works will affect you.

We apologise for any inconvenience this will cause to your journeys. If you have any questions, you can call us on **0800 151 2404** or email **CustomerCareEastern@cadentgas.com**. Our team are available Monday to Friday 8.00am to 8.00pm, and Saturday from 9.00am to 4.00pm.

Yours faithfully,

The Eastern Care Team
